Background Information

Madrasah Alsagoff Al-Arabiah has been around for over one hundred years and has since produced generations of Islamic Scholars who played vital roles in the progress of the Muslim community through Islamic Education, dakwah and welfare programs in Singapore.

These are made possible with the support of experienced teachers and a high quality education system being set in place.

As a self-funding private institution, we are heavily dependent on public donations and fundraising efforts. And we have been successful so far, thanks to the strong support we received over the years.

In order for us to continue providing the best holistic education to our students and prepare them well for the future and hereafter, we appeal for your continuous support and kind generosity through your contribution to Madrasah Alsagoff Al-Arabiah.

With our new fundraising initiative; the INFAQ GIRO contribution will continue to enable us in providing quality education programmes. It will help to defray our operational, and maintenance costs for the school building and facilities.

Donors who pledge to the INFAQ GIRO will contribute towards the students' development fund and also fulfil their Waqaf as 20% of the contribution will be channeled to our Waqaf Fund. This fund is used to pay for upgrading and renovation works to enhance our students' learning environment.

We look forward to your support in this worthy cause to make our students' learning journey an enriching experience. Thank you.
